### **Please note:**

- If a student registers for multiple weeks, the **same** schedule **must** be set **for each and every week** the student registers for. Different schedules for different weeks during the registered period is not allowed - these are not Open Classes.
- If a student wishes to add a class to their registered schedule in any given week, the added class will be considered a non-registered class and will be charged at the single class rate.
- If a change in the registered schedule is made, there will be a \$15 Class Change fee each time a change is made.
- If a student wants to take a varied schedule of classes each week, and does not wish to register for a set schedule of classes for all weeks, then all classes will be considered non-registered classes and will be charged at the single class rate.
- Each time a student registers for summer classes, there will be a \$20 registration fee charged. If a student decides to add a week or more to a previous registration, the subsequent registration fee charged will be \$10 as long as the schedule of classes is the same as the initial registration. If the schedule of classes is different from the initial registration, the registration fee will be \$20.00.
- There are no credits or refunds for missed classes. Makeup classes are allowed during the summer, but they are not guaranteed if there is no class available that is suitable as a makeup for the missed class.
